

# With You Through Life's Journey...

## Mid-Career

We are with you from day one, with baby names and benefits for your children.

Did you know that 5 percent of benefits are paid to children of a disabled or deceased parent?

If you legally change your name due to marriage, divorce, or any other reason, let us know so you can get an updated Social Security card — and so we can accurately keep track of your earnings. There is no charge for a Social Security card.

If you change jobs, your employer verifies your Social Security number with us. That way your earnings record is accurate and up to date in case you need benefits. Keep track of your earnings record by creating a **my** Social Security account. [www.ssa.gov/myaccount](http://www.ssa.gov/myaccount)

If the unexpected happens, we are there with disability benefits for you and your dependents.

If you lose your soul mate, we are there with benefits to help you get through the difficult time.

In 2015, 14 percent of all new Social Security benefits awarded were for disability.

Social Security is solvent through 2035. Even if legislative changes are not made before 2035, we'll still be able to pay 80 percent of each benefit due. Social Security has always changed to meet the needs of the people we serve and will continue to be passionate advocates for adequate funding to help support you and your family now and in the future.
